## Activity Holidays With a Difference!

Introduce Two Very Special Holiday Weeks Featuring Watercolour Tuition by **Martin Stephenson**

Whether you are a complete beginner or an old hand at watercolours don't miss this great opportunity to combine a totally relaxing holiday while "brushing" up on your painting skills.

Martin will be resident at Aztec Villa during these weeks so in addition to the five 2 hour long tuition sessions he will be only too pleased to offer advice and talk about his passion for painting throughout your stay with us.

All materials needed to create a masterpiece are provided so just bring along your talent, enthusiasm and an eye for a good picture.

### Dining Out With a View

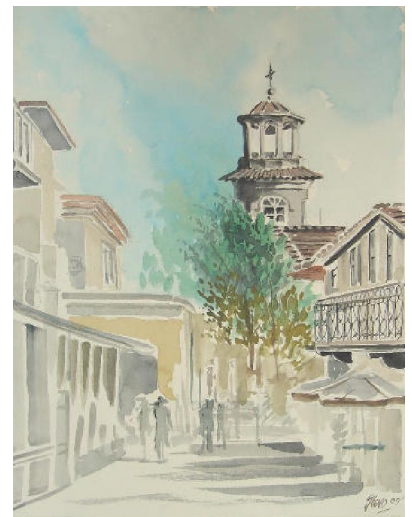

## w/c 6<sup>th</sup> June 2010 and w/c 8<sup>th</sup> August 2010

Born in York Martin now lives in the Burgas region of Bulgaria and like us fell in love with both the country and in particular the charm and beauty of Sozopol where he regularly paints and exhibits.

Quotes from the Artist

***'My life-drug and adrenalin fix, is my watercolour painting and watching paint reacting on rough watercolour paper. When this unpredictable magic fails to make the hairs on the back of my neck stand on end, I know I will have indeed, met my maker'.***

***'Paint for your own pleasure. If someone else likes it too, consider that a great compliment. 'Paint for you, and not for critics'. 'It's a life long journey, so relax and enjoy the ride'!***

### Sozopol Centrum

From **£ 345 per week\*** which includes 5 days x 2 hours art tuition and 5 1.5 hour yoga sessions. Don't panic the yoga is not compulsory, nor for that matter is the art – the only thing we insist on is that you enjoy a relaxing holiday. Why not take a stroll on the beach, try horse-riding, mountain biking, relax by our private pool or even pamper yourself with a luxurious massage – you choose how much or how little you do.

***\*Plus flight costs. Numbers are limited so contact us now to reserve a place***
